MIRACLES DO HAPPEN!

Your pledges will help us continue to give animals a second chance!

WHO IS ANIMAL CARE SOCIETY?

Louisville's only no-kill shelter. A private non-profit pet adoption agency dedicated to finding new loving homes for pets in need.

Your donations and pledges are an investment in the lives of hundreds of pets we care for each year in our community. Thank you for giving them a second chance!

THE SPIRIT FUND NEEDS YOUR DOLLARS

With the onslaught of abuse, cruelty, and neglect cases flooding ACS, we are forced to turn to our loyal supporters and ask for your help in saving the lives of our neediest cats and dogs. The Spirit Fund — established in 2002 in honor of a Shepherd mix named Spirit—was set up for the sole purpose of having resources allocated to pay for ACS' most dire cases. To date, the Spirit Fund has been directly responsible for the care and recovery of several hundred animals that would otherwise have been turned away or faced euthanasia due to exorbitant veterinary expenses. Unfortunately, the Fund is being rapidly depleted due to the volume of cases and the complexity and duration of care required. Won't you please make a special donation to the Spirit Fund? One hundred percent of your dollars goes directly to saving the lives of some very deserving cats and dogs.

ANIMAL CARE SOCIETY is a non-profit animal adoption shelter. We place over 1000 animals each year into loving FOREVER HOMES. We financially survive on adoption fees, donations and membership fees. Your support and pledges help us continue our work in this community.
